Report of Principal and School Improvement Council

The Buena Vista administration, faculty, and staff continue to focus on total quality education and a positive school environment. Through partnering with our parents and community, we have been able to provide our students with numerous enrichment activities and quality learning experiences.

This school year, the faculty has been trained in Learning Focused lesson planning and has learned new strategies to promote student achievement. In addition, each staff member participated in a professional development text study of his/her choice. Teachers are continuing to grow in their use of MAP data as a diagnostic tool to provide targeted instruction.

Although our overall rating this year changed to good, Buena Vista's test scores on ITBS, PACT, and MAP continue to be above the district average. The faculty continues to use our school action plan and curriculum goals as the road map to promoting even greater student achievement. Through the use of differentiated instruction, technology rich lessons, hands on activities, student ownership of learning goals and a positive learning community, we continue to see student successes each day.

Buena Vista was very fortunate to earn numerous awards and grants this year. Our music department earned a \$3500 grant to implement technology centers and enrich students' composer education. The school received a \$1000 recycling grant, as well as a \$2000 ESOL grant from the Alliance for Quality Education. In addition to the grants we received, our PTA earned a National PTA Unit Achievement Award, and our school was once again named a National PTA School of Excellence. We are very proud of these accomplishments and honors.

This year, the School Improvement Council has worked hard to formulate a plan for an outdoor classroom to enrich the school campus and students' opportunities for learning. The OC Committee is working to secure bids to start the project. The entire staff is excited about the new opportunities this outdoor classroom will provide for our students.
